### **General Volunteer Commitment Overview for Lago Lindo Community League:**

1. At each sports registration, the community will post a list of projects with estimated primary dates for volunteers to choose from. In most cases, there will be a secondary date posted, in case the project can not be done on the primary date. Once the maximum required amount of volunteers is reached, that project list will be closed and removed from the list of available projects.
2. Every family who registers a child or children in our sports programs will have the following 2 options as a family:
  - a. Option A (at time of registration)
    - i. Purchase 4 tickets to our approved annual fund raiser **(non refundable), and**
    - ii. **Sign up to do a 4-5 hour volunteer commitment** and provide a \$200 deposit cheque dated for the date of the event.
  - b. Option B (at time of registration)
    - i. Buy 19 tickets to our approved annual fundraiser  
**(Non refundable and not transferable to any other season)**
3. At the event, the volunteer will sign in when he/she arrives and sign out when he/she is finished.
4. If the volunteer performs the task the cheque will be refunded at the time the volunteer work is completed.
5. It is the responsibility of the volunteer to find a replacement if they can not work the shift they signed up for. **No exceptions.**
6. If the volunteer or their replacement fails to work the event or is unable to work the event, their cheque will be cashed.
7. If you do not show up, the next year, you will be required to post a \$200 cash deposit for your volunteer shift. Once you fulfill that commitment you will be issued a cheque for the money.
8. Any NSF cheques will mean that your child/children will not be allowed to play until all financial obligations and payments are made to the community league

Thank you for volunteering and making all our children's programs special.
